The Honorable Pete Aguilar
Mayor of the City of Redlands
35 Cajon Street, Suite 30
Redlands, CA 92373

Dear Mayor Aguilar:

The State Controller's Office audited the City of Redlands' Special Gas Tax Street Improvement Fund for the period of July 1, 2008, through June 30, 2012. We also audited the Traffic Congestion Relief Fund (TCRF) allocations recorded in the Local Transportation Fund for the period of July 1, 2008, through June 30, 2010.

Our audit found that the city accounted for and expended its Special Gas Tax Street Improvement Fund and TCRF allocations recorded in the Local Transportation Fund in compliance with requirements, and that no adjustment to the funds is required.

If you have any questions, please contact Steven Mar, Chief, Local Government Audits Bureau, at (916) 324-7226.

Sincerely,

Audit Report

Summary

The State Controller's Office audited the City of Redlands' Special Gas Tax Street Improvement Fund for the period of July 1, 2008, through June 30, 2012. We also audited the Traffic Congestion Relief Fund (TCRF) allocations recorded in the Local Transportation Fund for the period of July 1, 2008, through June 30, 2010.

Our audit found that the city accounted for and expended its Special Gas Tax Street Improvement Fund and TCRF allocations recorded in the Local Transportation Fund in compliance with requirements, and that no adjustment to the funds is required.

Background

The State apportions funds monthly from the highway users tax account in the transportation tax fund to cities and counties for the construction, maintenance, and operation of local streets and roads. The highway users taxes derive from state taxes on the sale of motor vehicle fuels. In accordance with Article XIX of the California Constitution and Streets and Highways Code section 2101, a city must deposit all apportionments of highway users taxes in its Special Gas Tax Street Improvement Fund. A city must expend gas tax funds only for street-related purposes. We conducted our audit of the city's Special Gas Tax Street Improvement Fund under the authority of Government Code section 12410.

Government Code section 14556.5 created a Traffic Congestion Relief Fund in the State Treasury for allocating funds quarterly to cities and counties for street or road maintenance, reconstruction, and storm damage repair. Cities must deposit funds received into the city account designated for the receipt of state funds allocated for transportation purposes. The city recorded its TCRF allocations in the Local Transportation Fund. We conducted our audit of the city's TCRF allocations under the authority of Revenue and Taxation Code section 7104.

Objective, Scope, and Methodology

Our audit objective was to determine whether the city accounted for and expended the Special Gas Tax Street Improvement Fund and the TCRF allocations recorded in the Local Transportation Fund in compliance with Article XIX of the California Constitution and the Streets and Highways Code. To meet the audit objective, we determined whether the city:

- Properly deposited highway users tax apportionments and other appropriate revenues in the Special Gas Tax Street Improvement Fund;
- Properly deposited TCRF allocations into an account designated for the receipt of state funds allocated for transportation purposes;
- Expended funds exclusively for authorized street-related purposes; and
- Made available unexpended funds for future expenditures.

We conducted this performance audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

We did not audit the city's financial statements. We limited our audit scope to planning and performing the audit procedures necessary to obtain reasonable assurance that the city accounted for and expended the Special Gas Tax Street Improvement Fund and the TCRF allocations recorded in the Local Transportation Fund in accordance with the requirements of the Streets and Highways Code and Revenue and Taxation Code section 7104. Accordingly, we examined transactions, on a test basis, to determine whether the city expended funds for street purposes. We considered the city's internal controls only to the extent necessary to plan the audit.

Conclusion

Our audit found that the City of Redlands accounted for and expended its Special Gas Tax Street Improvement Fund in compliance with Article XIX of the California Constitution and the Streets and Highways Code for the period of July 1, 2008, through June 30, 2012.

Our audit also found that the city accounted for and expended its Traffic Congestion Relief Fund allocations recorded in the Local Transportation Fund in compliance with Article XIX of the California Constitution, the Streets and Highways Code, and Revenue and Taxation Code section 7104 for the period of July 1, 2008, through June 30, 2010.

Follow-Up on Prior Audit Findings

Our prior audit report, issued on October 19, 2009, disclosed no findings.

Views of Responsible Official

We discussed the audit results with city representatives during an exit conference on February 28, 2013. Tina Kundig, Finance Director, agreed with the audit results. Ms. Kundig further agreed that a draft audit report was not necessary and that the audit report could be issued as final.

Restricted Use

This report is intended for the information and use of the City of Redlands' management and the SCO; it is not intended to be and should not be used by anyone other than these specified parties. This restriction is not intended to limit distribution of this report, which is a matter of public record.

**Schedule 1—
Reconciliation of Fund Balance
July 1, 2011, through June 30, 2012**

	Special Gas Tax Street Improvement Fund Highway Users Tax Allocation ¹
Beginning fund balance per city	\$ —
Revenues	1,997,522
Total funds available	1,997,522
Expenditures	(1,629,040)
Ending fund balance per city	368,482
Ending fund balance per audit	\$ 368,482

¹ The city receives apportionments from the State highway users tax account, pursuant to Streets and Highways Code sections 2103, 2105, 2106, 2107, and 2107.5. The basis of the apportionments varies, but the money may be used for any street purpose. Streets and Highways Code section 2107.5 restricts apportionments to administration and engineering expenditures, except for cities with populations of fewer than 10,000 inhabitants. Those cities may use the funds for rights-of-way and for the construction of street systems. The audit period was July 1, 2008, through June 30, 2012; however, this schedule includes only the period of July 1, 2011, through June 30, 2012.
